

Shelburne & Area Lions Club want to help First Responders find you!

When First Responders drive towards your home, can they see your civic number from the roadway?

If you can't see your civic number at night from the roadway, neither can our First Responders

Shelburne & Area Lions Club is a non-profit organization that helps the community in many ways. Making civic number signs is just one of the many fundraisers that we do. To order your civic number sign, simply complete the order form on the back and send it to the address provided or call the number provided.
