

TOWN OF SHELBURNE

Message From the Mayor

By Mayor Karen Mattatall

The Town of Shelburne has been very busy working on Asset Management and making priorities. Did you know that 66% of all infrastructure is owned by municipal units? It is our duty to know what we own, what condition it is in and plan for maintenance. The Asset Management Committee has been working hard on this task and we thank them for volunteering their time to this process.

The Shelburne Community Centre is back in operation and accepting bookings. The roof repairs are complete and the interior damage has also been repaired. Thank you for your patience during this process.

Shelburne will be seeing an exciting summer with lots of events including free shows at the Guild Hall Summer Arts Series, the 2019 Albacore International Championship Regatta, Lobster Festival, Founders Days, Kayak Festival, Art Day, and Whirligig Festival. Thank you to all of the people involved in making these events happen for our community!

ATLANTIC HOUSE

A GLIMPSE INTO THE PAST

Originally a dwelling for Loyalist merchant Valentine Nutter, the Atlantic House, built in 1784, became a well-known hotel. It had several owners through the years and was bought by Mayor William T. Clow in 1920 who restored the property to its former glory. Jennie Clow retained ownership until 1979 when the building was torn down due to structural issues. It is now the location of the Atlantic House Park.

PUBLIC ART

This Spring/Summer will unveil the installation of several new public art pieces including signage along the trail, a sculpture series, sidewalk poetry, and more!

Shelburne was the recipient of the NS Arts and Culture Award 2018 which provided a \$10,000 prize to support our public art initiatives.

BEAUTIFICATION PROJECTS

The Town of Shelburne received a grant through the Province's Beautification & Streetscaping fund for improvements to our downtown. You will notice improvements in the Secret Park, on Dock Street, and at the McKay Park. Benches, gardens, solar lights, new trees, community information boards, and wayfinding signs are included in this project. The Town will also have new banners at the entrances to Town which showcase our festivals and events.

ASSET MANAGEMENT

The Town of Shelburne's Asset Management Committee has been hard at work, working along side HATCH and the GIS tech, to put together a list of the Town's Infrastructure and Assets. Through mapping, the Town is precisely locating all fixed assets and adding information regarding condition, repairs, and/or replacements. Knowing the condition of our assets allows us to determine their expected lifespan.

This information is crucial for sound budgeting and long-term goals.

Mill Building Upgrades

The Mill Building Group has been hard at work restoring the building as a heritage site. With the help of the NS Access-Ability Program, there will be a new ramp and concrete pad installed this Spring/Summer.

FALL METAL COLLECTION
On YOUR specific collection day between the dates of October 15 - 25, 2019

Acceptable Items Include:
Scrap metal, white appliances, barbecues, freezers, emptied oil barrels, baseboard heaters, refrigerators, air conditioners, lawn mowers, bicycles, microwaves, and any other type of metal.

TIP:

Why wait for one of the metal collections when you can drop it off anytime throughout the year for free.

Did you know that metal items can be taken to the Regional Materials Recovery Facility, located at 4571 Hwy 3, West Green Harbour free-of-charge at any time during the year?

THE REGIONAL MATERIALS RECOVERY FACILITY (C&D Site)
4571 Hwy 3, West Green Harbour.
Open from Tuesday Saturday from 9:30 a.m. - 4:00 p.m.

Tipping Fee is \$60.00 per tonne for construction & demolition materials

All materials must be separated into the following streams:

- 1) Wood items
- 2) Roofing shingles
- 3) Gypsum board/drywall, plaster
- 4) Vinyl/plastic building materials, carpeting, built up roofing, ceiling tiles, vinyl floor/insolium, wiring, lighting fixtures and insulation.

Insulation - Please have fibreglass insulation in bags, so it will not blow around the site. Sheets of Styrofoam™ insulation can be taken whole, but must be bagged if in smaller pieces.

Items that are FREE to dispose of include:

- Scrap Metals
- Metal Appliances
- Wire Lobster Traps
- Lobster Rope
- Leaf and Yard Waste

Items NOT accepted during regular waste collection are listed below:

You can return up to four used car/truck tires (at any one time) to any tire retailer in NS. Tires must be off the rim and free of mud and debris.

All construction waste, as well as any solid wooden items, must be taken to the Regional Materials Recovery Facility in West Green Harbour to be recycled.

Propane tanks, rusted paint cans, and other household hazardous waste items are to be taken to the Hazardous Waste Depot at 243 Sandy Point Road, on the 1st and 3rd Monday of each month for proper disposal from 9am - 1pm & 2pm - 4pm. (ie. adhesives, 1st pesticides, oil, etc.)

Electronics must be taken to the EPRA (Electronic Products Recycling Association) Depot at 108 King Street (across from the Shelburne Mall) to be recycled. No cost to drop off items.
