Volunteer of the Month  
January 2015**

Clark Acker is a long-time volunteer with the Shelburne Curling Centre - fundraising and supporting the junior program - and represents Southwestern Nova Scotia as a Director with the Nova Scotia Curling Association. He is also the president of the St. Thomas Catholic Church Pastoral Council.

For the past several years Clark has been maintaining a public garden on Town land at the corner of Mowatt and Bulkley Streets. The garden continues to expand each year and contributes to the appearance of our community.

For his ongoing efforts to enhance our community, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Clark as Volunteer of the Month for January, 2015.
