Volunteer of the Month
February 2015**

Dr. Elizabeth Cromwell is a founding member of the Black Loyalist Heritage Society and has volunteered tirelessly to promote the history of the Black Loyalists, and the story of their arrival in Birchtown.

This year she has realized her dream, the construction of a Black Loyalist Heritage Centre showcasing Birchtown, site of the largest free black settlement outside of Africa at the time. Over the years she has received many accolades and recognition for her work with community; in 2014 she was honored with a degree from Mount Saint Vincent University.

For these achievements the Town of Shelburne Community Participation & Volunteerism Committee recognizes Elizabeth as Volunteer of the Month for February, 2015.
