

Martin Fudge

**Town of Shelburne
Community Participation &
Volunteerism Committee
Volunteer of the Month
March 2015**

Martin Fudge is a tireless volunteer in support of causes in our community. He is an incredible asset to Special Olympics, Shelburne; continuously volunteering to organize and plan events and gatherings. This past year he even stepped in for coaching duties for the S.O Bowling Team, though he'd rather be a player.

Martin volunteers faithfully for the Shelburne Lions Club and is one of the most determined fundraisers in Shelburne for these and other organizations. Martin has a huge heart and will lend a hand and help out wherever he is needed.

For enriching our community with his volunteer spirit, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Martin as Volunteer of the Month for March, 2015.
