## Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month July 2015

Cheryl Bower is the type of person who does whatever she can for her community. Currently serving as the treasurer for PET Projects, Cheryl routinely goes above and beyond to care for people and animals alike, donating her time and energy helping where she can.

As a community volunteer for many years, Cheryl has donated her time to volunteer with the Garden Club, United Church, Shelburne County Museum, IODE, the Shelburne Yacht Club, and Sou'West Nova Transit.

For her compassion and her willingness to give, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Cheryl as Volunteer of the Month for July, 2015.
