

Shelburne Area Lions Club

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month July 2016

Chartered in April 1963 the Shelburne Area Lions Club is located at 188 Elliot Street in the Town of Shelburne.

The charitable causes supported by the Lions are too numerous to count; they operate the local Giving Tree Christmas charity, fundraise annually for the I.W.K. Children's Hospital and provide medical equipment, support and assistance to local residents in need of a helping hand.

For their more than 50 years of working to support charitable and community causes in Shelburne the Town of Shelburne Community Participation & Volunteerism Committee recognizes the Shelburne Area Lions Club as Volunteer of the Month for July, 2016.

The Lions are always looking for volunteers to assist with their charitable work. To volunteer with the Lions contact Carole Morash at breeagirl@hotmail.com or call 902-874-1202/902-875-4302.
