

Jessica Jurgenliemk

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month August 2016

Jessica Jurgenliemk has been a fixture of community events in Shelburne for years, donating her time and her musical talents.

As a board member of the Osprey Arts Centre Jessica has served as their volunteer coordinator. She has volunteered with Heritage Hall's music program, organized coffee houses and Hubbubgo, the Osprey's long-standing youth-organized concert. Jessica's favorite volunteer experience is in teaching music and building her students' confidence in their abilities.

Jessica has always supported her fellow students. She helped to facilitate the Healthy Relationships for Youth program and this summer she made an anti-bullying video which was viewed by many. Jessica graduated from SRHS this spring.

The Town of Shelburne Community Participation & Volunteerism Committee recognizes Jessica as Volunteer of the Month for August 2016.
