## Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month January 2017

The Town of Shelburne wishes to thank Ralph Swansburg and Family for their help with delivering water to residents in need this past summer during the drought. They went above and beyond on a weekly basis to help and were nominated by many grateful residents.

In addition to his kindness this past summer, Ralph is involved in coaching youth hockey and basketball.

For stepping up to help those in need, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Ralph Swansburg and Family as Volunteers of the Month for January 2017.
