

# Meghan Cox

## Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month February 2017

The Town of Shelburne wishes to thank Meghan Cox and all the volunteers with the Jacey John Mackenzie Cox Memorial Society for their efforts to rehabilitate the Parr Street Community Park.

Meghan Cox is a founding member of the Society which was begun in 2014 to honour the memory of her brother. After three years of community events, fundraisers and grant applications the Society was instrumental in getting the basketball court resurfaced and installing new equipment in the park and playground.

For her contributions to our community, and in memory of her brother, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Meghan Cox as Volunteer of the Month for February 2017.
