

Rob Morash

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month March 2017

Rob Morash is always willing to lend a hand, whether helping out less able community members around the home or digging out neighbours after a storm.

This winter Rob pitched in to dig out the Fisherman's Memorial after a major storm so the flag could be lowered to recognize the recent loss of a fisherman at sea.

For his willingness to lend a hand to those in need, and for representing the goodhearted nature of our community to residents and visitors alike, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Rob Morash as Volunteer of the Month for March 2017.
