

# Pat Melanson

## Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month May 2017

Town of Shelburne piper Pat Melanson is a common site at community events from Tallships Festivals to Remembrance Day services to the departure of our Special Olympians when they head to competition.

As well as lending his pipes to various community events Pat sings and plays with the Madrigal Choir and the Pitband, has been active on the executive of the Shelburne & Area Chamber of Commerce for many years, supported the Basement Theatre and Longboat Society and played an instrumental role in organizing the Reenactment Fife and Drum Corps as a part of the Shelburne Reenactment Association.

For these many contributions the Town of Shelburne Community Participation & Volunteerism Committee recognizes Pat Melanson as Volunteer of the Month for May 2017.
