

Bob Sinden

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month October 2017

Bob Sinden is always working to support and improve our community.

Most recently Bob was instrumental in hosting the Giant Pumpkin Festival on the Shelburne waterfront. Also this summer Bob has been a prominent member of the working group dedicated to the restoration of the Historic Mill Building, a cause he previously supported, along with other historic building projects.

Bob has also worked as a fundraiser for Founder's Days, served with the Shelburne Historical Society, the Shelburne Harbour Yacht Club and the Shelburne & Area Chamber of Commerce.

For his continued dedication the Town of Shelburne Community Participation & Volunteerism Committee recognizes Bob Sinden as Volunteer of the Month for October 2017.
