

Rob & Marta Stork

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month December 2017

When Rob and Marta Stork moved to the Shelburne area they brought with them a passion for film making and volunteerism.

Rob and Marta launched the Shelburne Film Expo in 2015, giving local film makers a unique opportunity to connect to the Ashbury International Film Festival. The Expo also incorporates a film camp for young people.

Rob and Marta also volunteer with the annual Shelburne Street Dance and Pet Parade events. Most recently they have played an instrumental role in the organization of the November Health Rally and ongoing health testimonials project.

For their volunteer contributions the Town of Shelburne Community Participation & Volunteerism Committee recognizes Rob and Marta Stork as Volunteers of the Month for December 2017.
