

Mike Hartigan

Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month January 2018

Mike Hartigan has provided crucial support to numerous volunteer initiatives in Shelburne in recent years.

A long-time volunteer at the Dory Shop Museum on the Shelburne's historic waterfront, Mike stepped in to lend his expertise to the Community Participation & Volunteerism Committee, assisting in the design of the new Guild Hall, incorporating the feedback received at two well-attended public sessions in 2014.

Mike is now a prominent member of the working group dedicated to the restoration of the Historic Mill Building.

For his ongoing contributions to projects in our community, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Mike Hartigan as Volunteer of the Month for January 2018.
