## Town of Shelburne Community Participation & Volunteerism Committee Volunteer of the Month March 2018

Robin works tirelessly to benefit and support the youth of Shelburne both in her capacity as President of the Hillcrest Academy Parent Support Group and as Administrator of the Hillcrest Academy Facebook Page. She was instrumental in fundraising, organizing and planning for the new Hillcrest playground, which is enjoyed by children and families from throughout the county.

Robin has her own photography business and regularly volunteers her time and talent photographing numerous events and individuals within the community and donating certificates and photo shoots.

For all she does to support, promote and improve community and family life in Shelburne, the Town of Shelburne Community Participation & Volunteerism Committee recognizes Robin Smith as Volunteer of the Month for March 2018.
