The Meals on Wheels Program is a volunteer-based program that delivers nutritious meals to individuals in the community which allows them to maintain their health & independence at home. The program has been in Shelburne County for 30+ years and presently serves 15+ clients per week. All meals are prepared in the Roseway Hospital kitchen.

There have been many dedicated drivers over the years that have made the program successful and without them, the program would not be possible. We would like to recognize *Debi Wilson-King, Debbie Bower, Jackie Ward, Tami Crosby, Wayne Blinkhorn, Sam & Bill Stewart, Harold Doane, Cheryl Bower and Brenda Cameron.*

For all that the Meals on Wheels Volunteer drivers have done and continue to do, the Town of Shelburne's CP&V Committee and the Town Council recognize them as the Volunteers of the Month for March. Thank you!
