On Saturday April 9th, love was poured over our community. An event called “Illuminate Nova Scotia” was held at Shelburne Firehall. The hall was transformed into a magical Cinderella’s castle as a prom night for our special needs community in Nova Scotia. A night where they came dressed in their best...had their hair, makeup and nails done as well as their shoes shined. They all had photos taken and had their big moment walking the red carpet as every single person was celebrated one by one! At the end of the night every guest was crowned, King and Queen of the Prom. This night was hosted by our local Hope Wesleyan Church with Pastor Joanne Ozon and her admin team.

We would like to recognize *Pastor Joanne Ozon, Mike Ozon, Janie and Bub Brannen, Dorothy Peacock, Cora and Randy Jeddry, Vivian Williams, Pastor Brad Eisan, Lori Dexter, Debbie and Lee Townsend, Krysteane Rapp, Leah Weare, George and Pam Thorburn and Stephanie Harris.*

This event would not have been possible without their time and dedication!

For all that the Illuminate Nova Scotia Volunteers have done and continue to do, the Town of Shelburne’s CP&V Committee and the Town Council recognize them as the Volunteers of the Month for April. Thank you!
